

Reframe Cancer

Expert cancer support. When it matters most.

Cancer changes lives. Your Beagle Street policy now gives you access to expert cancer screening, nurse-led support and cancer carer support. All at no extra cost*. Our trusted partner Reframe Cancer, provides all of these services, which you can access by downloading their app or logging in at **reframe.co.uk/beagle-street**

Screening

Caught early, many cancers are far more treatable. You can detect cancer earlier with personalised screening for six common cancer types: breast, bowel, cervical, skin, prostate and lung as well as nurse-led support.

Navigation

A cancer diagnosis can feel overwhelming. This one-to-one service helps reduce delays, ease uncertainty and connect you to the right care faster, with expert support from a Cancer Nurse Specialist and Cancer Support Manager.

Carer

Cancer changes the lives of everyone around it. This service is designed to support those who care for someone with cancer, helping ease pressure and navigate the changes and challenges cancer brings.

How to access the Reframe Cancer app

Within a few days of your new policy starting you'll be able to download and register for the Reframe Cancer app. You will need to use the email address provided in your application with us to register at **reframe.co.uk/beagle-street**. If you have any difficulties please contact Reframe at **support@reframe.co.uk** or by calling them on **0207 965 0309**.

* The personalised screening risk assessment is offered at no added cost, but any tests arranged do have a cost which will be made clear when choosing to order a test.

Reframe Cancer doesn't form part of your policy terms and conditions and can be amended or withdrawn, without notice.
