

Clinic in a Pocket™

Once you've purchased a policy with us, you'll receive free access to the Clinic in a Pocket™ app provided by our trusted partner Square Health.

The Clinic in a Pocket™ app gives you 24/7 access to experienced, UK-based GPs whenever and wherever you need it.

You can speak to a doctor about any health or medical concerns quickly and at a time that suits you. You can also get prescriptions emailed to you or to a pharmacy of your choice for collection at a convenient time or even get a doctor's note.

How to access the Clinic in a Pocket app

You'll receive an invitation email from Square Health within a few days of your new policy starting with simple instructions on how to download and register for the app. You will need to use the details provided in your invitation email, if you have any difficulties please contact: customerservice@squarehealth.com

Who can use Clinic in a Pocket™

You and your partner or spouse can use the service, and you can book appointments for your children up to age 23 in full time education.

Clinic in a pocket™ doesn't form part of your policy terms and conditions and can be amended or withdrawn, without notice.
